## Recruitment Update

We have now enrolled - 18 centres  
Randomisations up to date – 107

## Top Randomising Centres:

1. UCLH – 63
2. Nottingham University Hospital - 7
3. Calderdale & Huddersfield NHS - 6
4. Academic Medical Centre, Amsterdam and Flevoziekenhuis, Almere – 5
5. Albert Schweitzer Hospital Dordrecht - 4

## Well Done

Our recruitment rate has increased up to 5-6 patients per month. Thank you to all the centres that are actively randomising! Please keep going and help us achieve our target of 10 patients per month!

A very special welcome to our recently joined centres:

- **Stroke Centre, University Hospital Basel**
- **Bradford Teaching Hospitals NHS Trust**

We are looking forward to working with you in the future!

There will be an Investigators' meeting on Friday 11 March 2016, venue TBC. Staff from both enrolled centres and centres interested in joining ECST-2 are invited to attend the meeting! If you would like to attend please contact [office@ecst2.com](mailto:office@ecst2.com)

We will be giving out a bottle of wine to centres that helped us bringing total recruitment up to #100 patients:

*Nottingham University Hospital x2*

*Stroke Centre, University Hospital Basel x2*

*East Kent Hospitals University NHS Foundation Trust*

## ANNOUNCEMENTS

Every centre will be receiving shortly their monthly data return reports

If you are coming to the UK Stroke Forum in Liverpool, come and see us at our stand E2, December 1-3rd

*We have successfully attended and presented our trial in collaboration with ACST-2 at the XXIX European Society for Vascular Surgery in Porto in September 23-25*
